

Special Olympics Arkansas Mission

The mission of Special Olympics Arkansas is to provide year-round sports training and athletic competition in a variety of Olympic type sports for all children and adults with intellectual disabilities giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills, and friendship with their families, other Special Olympics athletes, and the community.

“Let me win. But if I cannot win, let me be brave in the attempt.” - SOAR Athlete Oath

The relationship Special Olympics Arkansas has with Arkansas REALTORS® Association dates back to 1985. They contribute both volunteers and funds. REALTORS® host numerous events year-round that benefit Special Olympics Arkansas. Throughout the years the Arkansas Realtors Association has raised over 2 million dollars for Special Olympics Arkansas. NCBOR has contributed to this effort through our annual golf tournament for over 20 years.
